Assets

Openness

Conscientiousness

Khalid Hussain Malik

Lecturer/Frontend Developer

A website without a frontend is like a skeleton without muscles.

Work experience

Lecturer

Since September 2017 [IBA Community College Dadu](#) Dadu, Pakistan

React Developer

From May 2021 to July 2021 [IT-Route Limited](#) Remote

Teaching Assistant

From September 2016 to September 2017 [Shaheed Benazir Bhutto University, Shaheed Benazirabad](#) Nawabshah, Pakistan

Subject Specialist

From August 2015 to August 2016 [IQRA Public School](#) Moro, Pakistan

Education

Master of Science

From April 2015 to November 2019 [Quaid-e-Awam University of Engineering, Science and Technology](#) Nawabshah, Pakistan

Bachelor of Science

From January 2011 to December 2014 [Quaid-e-Awam University of Engineering, Science and Technology](#) Nawabshah, Pakistan

Additional education

Full Stack Web Development

From January 2022 to May 2022 [DevNation](#) Lahore, Pakistan

HTML, CSS & Javascript

From August 2021 to September 2021 [HTML Hints](#) Online

MERN Stack

From January 2021 to May 2021 [NexusBerry](#) Lahore, Pakistan

Full Stack Web Development

From January 2020 to May 2020 [Udemy](#) Online

Achievements

1-Attended Workshop at Public School Sukkur on Agha Khan Board Curriculum and Paper Designing and Assessment

2-Attended the Workshop "Summer Professional Development Program" at Sukkur IBA University, Sukkur (July-2019)

3-Attended the Workshop "Summer Professional Development Program" at Sukkur IBA University, Sukkur (July-2018)

4-Presented a Research Paper "On Comparison of Straightforward Expansion and Two Timescales Method for Damped Beam-Like Equation" in 3rd International Conference on Computing, Mathematics and Engineering Technologies-2020 at Sukkur IBA University, Sukkur

5-Presented a Research Paper on "Axially Moving Euler-Bernoulli Beam under Viscous Damping" in the 2nd International Conference on Computing, Mathematics and Engineering Technology-2019 at Sukkur IBA University, Sukkur

6-Published a Research Paper "On Asymptotic Approximations of the Solution for Translating String under External Damping" in Journal of Mechanics of Continua and Mathematical Sciences (Mar-2021)

ISSN(print) 0973-8975. ISSN(online) 2454-7190

7-Published a Research Paper "On Transversal Vibration of an Axially Moving Beam under Influence of Viscous Damping" in Journal of Mechanics of Continua and Mathematical Sciences (Nov-2020)

ISSN(print) 0973-8975. ISSN(online) 2454-7190
